ABOUT ACAPI2026

Universiti Teknologi MARA (UiTM) Sarawak, in collaboration with WMIT Group Sdn Bhd (WMIT), proudly presents the **Asia Conference on Agriculture and Plantation Industry (ACAPI2026)**, taking place on **25–27 November 2026** in Kuching, Sarawak, MALAYSIA.

Held under the theme **“Repositioning Asia's Plantation and Agriculture Industry for a Sustainable and Resilient Future,”** ACAPI2026 brings together policymakers, industry leaders, researchers, and global experts to explore innovative solutions shaping the future of agriculture and plantation industries in Asia.

The conference will highlight key areas including **sustainability and ESG practices, climate resilience, food security and supply chain efficiency, policy and governance, labour and productivity innovation, and the empowerment of smallholders and future agro-talent.**

Through **keynote addresses, expert forums, and research presentations**, participants will gain valuable insights into emerging technologies, sustainable practices, and strategic opportunities in the agriculture and plantation sectors.

With a **hybrid format (in-person and virtual)**, ACAPI2026 provides a dynamic platform for global collaboration, knowledge exchange, and industry networking—connecting stakeholders committed to advancing a **sustainable, resilient, and innovative agricultural future.**

OBJECTIVES :

- Encourage collaboration between policymakers, researchers, and industry leaders to strengthen agriculture and plantation resilience.
- Promote the adoption of **AI, IoT, and blockchain technologies** in agricultural operations and supply chains.
- Highlight sustainable plantation practices, including **circular economy and low-carbon initiatives.**
- Facilitate international partnerships and investment opportunities in **agritech innovation.**
- Showcase practical solutions and technologies through **agribusiness exhibitions and industry engagement.**

WHO SHOULD ATTEND?

- 1 Plantation Estate Managers & Assistant Managers
- 2 Plantation Practitioners
- 3 Agronomists
- 4 Plantation and Agricultural Researchers
- 5 Academicians
- 6 Biotechnology Innovators
